

Latest Achievement

In 2015, we have supported following conferences.

1. **11th Carbohydrate Bioengineering Meeting**
Helsinki, Finland, 5/10 - 13, 2015
2. **The 10th meeting of the International Society for Hyaluronan Sciences**
Florence, Italy, 6/7 - 11, 2015
3. **2015 Gordon Research Conference on Carbohydrates**
Vermont, USA, 6/14 - 19, 2015
4. **Gordon Research Seminar on Cellulosomes, Cellulases & Other Carbohydrate Modifying Enzymes**
New Hampshire, USA, 8/1 - 2, 2015
5. **18th European Carbohydrate Symposium**
Moscow, Russia, 8/2 - 6, 2015
6. **Gordon Research Conference 2015 in Cellulosomes, Cellulases & Other Carbohydrate Modifying Enzymes**
New Hampshire, USA, 8/2 - 7, 2015
7. **12th International Symposium on the Maillard Reaction**
Tokyo, Japan, 9/1 - 4, 2015
8. **4th Austria - Japan Seminar on Comparative and Developmental Glycobiology**
Split, Croatia, 9/14 - 15, 2015
9. **23rd International Symposium on Glycoconjugates**
Split, Croatia, 9/15 - 20, 2015
10. **5th Matrix Pathobiology, Singnalling and Molecular Targets 2015**
Rhodos Island, Greece, 9/24 - 29, 2015
11. **The 11th International Conference on Advanced Polymers via Macromolecular Engineering**
Kanagawa, Japan, 10/18 - 22, 2015
12. **The 13th International Kyoto Conference on New Aspects of Organic Chemistry**
Kyoto, Japan, 11/9 - 13, 2015
13. **7th Asian Community of Glycoscience and Glycotechnology Conference**
Miyagi, Japan, 11/12 - 15, 2015
14. **Symposium on Carbohydrate Recognition in Health and Disease at the “2015 Pacific Symposium”**
Hawaii, USA, 12/15 - 20, 2015
