

Latest Achievement

In 2016, we have supported following conferences.

1. **7th Annual SBP Discovery Rare Disease Day Symposium: Human Glycosylation Disorders**
California, USA, 2/26 - 27, 2016
2. **Glycoscience Japan-The Netherlands Joint seminar 2016**
Leiden, The Netherlands, 4/18 - 22, 2016
3. **The 12th International Symposium on Organic Reaction and the 6th German-Japanese Symposium on Electrosynthesis**
Kyoto, Japan, 4/22 - 24, 2016
4. **"Microbial Glycobiology" FASEB Science Research Conference**
Florida, USA, 6/12 - 17, 2016
5. **The 10th International Symposium on Glycosyltransferases**
Toronto, Canada, 6/19 - 21, 2016
6. **17th Gordon Conference on Proteoglycans and 3rd Gordon Research Conference on Proteoglycans**
New Hampshire, USA, 7/9 - 15, 2016
7. **28th International Carbohydrate Symposium**
Louisiana, USA, 7/17 - 22, 2016
8. **The 6th Warren Workshop 2016**
Hokkaido, Japan, 8/24 - 26, 2016
9. **26th International Complement Workshop**
Ishikawa, Japan, 9/4 - 8, 2016
10. **Glycosylation in the Golgi complex**
Vico Equense, Italy, 10/24 - 28, 2016
11. **Sialoglyco 2016**
California, USA, 11/14 - 17, 2016
